Bangalore

To

C S Balasundaram Iyer, Esq B A ,
Secretary to the Government of H H the
Maharaja of Mysore - Depts of Edn & Agri
BANGALORE

Sir,

I have the honour to forward herewith a letter which I have just received from Mr B Narasimhaiengar, at present studying Agricultural Chemistry in Gottingen, GERMANY on a Mysore Government Scholarship

In another letter to me Mr Narasimhaiengar points out that a very large expenditure of non-recurring expenditure for purchasing of books, laboratory apparatus etc has had to be incurred by him during the first year and that the expense under these heads will be not nearly so heavy later on Further, he wishes in pursuance of the course of study mapped out by me to utilize his summer vacation in studying at various agricultural experimental stations in Germany This will also mean extra expenses in the way of travelling expenses etc , I have the honour to state that I consider Mr Narasimhiengar's request to be a reasonable and even necessary one and therefore recommend that it may be granted at a very early date

I have the honor to be,
Sir,
Your most obedient servant
Leslie Coleman
Director of Agriculture

Sir

I have just drawn the Third instalment of my Scholarship and found that after paying up my arrears of boarding charges to the end of March I shall have just enough money for my fees during the Summer Semester which begins on the 16th of this month, and for the current expenses in April but of the next instalment which falls due in July I shall have to meet my boarding charges for from May till the end of September which I can do only on credit with some difficulty The outlay now required for books dress laboratory apparatus &c has been so heavy that I cannot manage with 200 ℳ in the first year So I request you to kindly write to government to grant me a loan of forty pounds (40 £) and recover the same from my Scholarship during the next two years in eight Quarterly instalments of 5 £ each commencing from October of this year

I beg to remain
Sir
Your most obedient Servant
B Narahari Rao Engar
Asst Chemist
